2015 Piper Reunion Set for July

3 February 2015

Dear Shipmates:

Our 2015 Piper Reunion is all set for this year. As planned, we will be holding it in Cleveland, Ohio.

The dates are Wednesday, 22 July through Sunday, 26 July. If you wish to arrive sooner or stay later, please do. I will likely arrive on Tuesday and stay until Monday.

Our collective thanks go out to Tom Kucharski for all his efforts. He has done his "shopping" and arranged a great deal for the hotel.

We will be staying at the **"Hampton Inn Cleveland—Downtown"**. The name is very important when making your reservations. The number to call is 1-800-Hampton to reserve your rooms. When calling the hotel, refer to USS Piper SS 409 or use Group Code "USS". The rate is \$119.00 per night, which for a downtown location is very good. I hope you will choose to stay there so that we can be together as a group 24/7. In the past, when we stayed at different hotels, there was a disconnect among us. Please call in your reservations as soon as possible. Don't wait, as we need to know who and how many are going. **SEE REGISTRATION FORM**

For those of you who don't know, the

The *USS COD Submarine Memorial* is a National Historic Landmark and is located on Lake Erie in downtown Cleveland, Ohio at the western edge of Burke Lakefront Airport and about one block east of the Rock and Roll Hall of Fame.

See: <http://www.usscod.org/>

USS Cod (SS 224) www.usscod.org/ is moored there, and I toured her with Kucharski a few years ago. Wow! You will feel like you're stepping onboard a functioning diesel boat...**because you will be.** The engines run and this boat is so well kept that it could get underway tomorrow. This is a boat you have to visit. Their crew is very enthusiastic about us coming there for our reunion. They Have Some special activities planned for us as well.

We don't have a fixed schedule yet, but a few of the activities will be (and these are all within walking distance of the hotel).

Rock & Roll Hall of Fame—Oh yeah, blasts from the past. I can't wait.

Design Complement: 6 officers, 60 enlisted men.

Although built late in World War II, Piper completed 3 successful war patrols in the Pacific, winning four battle stars before the end of hostilities. She was responsible for sinking more than 6000 tons of Japanese shipping.

After the war, Piper operated out of the U.S. Naval Submarine Base in Groton Connecticut until her decommissioning in 1967.

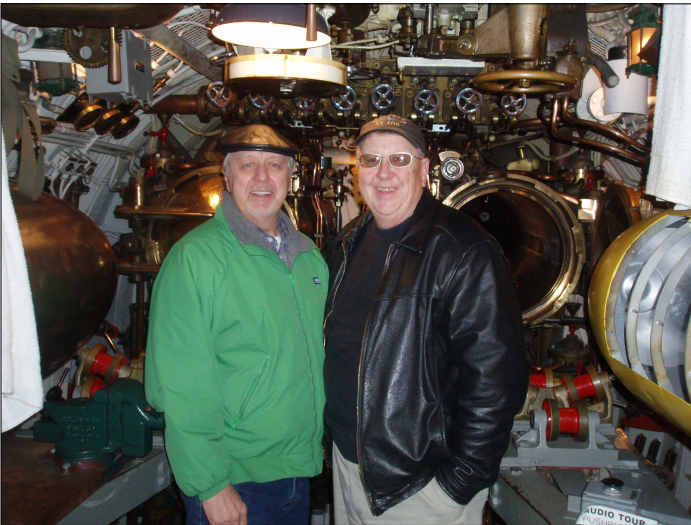

2015 Piper Reunion Set For July

(Continued from page 1)

Cleveland Science Museum—Said to be one of the best.

Lake Freighter at the Maritime Museum—We should all enjoy that.

And obviously, the USS Cod

Tom Kucharski and Frank Whitty aboard the USS Cod in December of 2011

Other activities may include a Cleveland Indians baseball game. And Ski is planning a great event and awesome location for our send-off reunion dinner on Saturday night. Ski claims it will be more fun than being at a wedding. Any guesses?

Shipmates, don't let this important event be one you look back on and say, "I wish I had gone."

Spring has got to break sometime soon, so stay well Shipmates.

Regards,

Frank

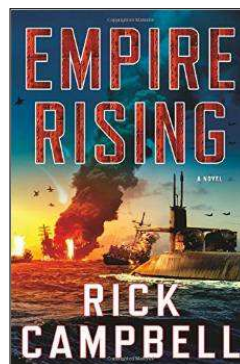

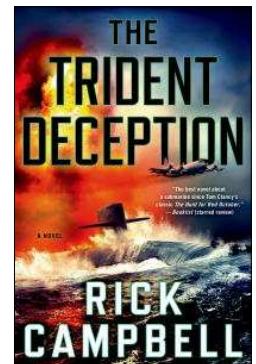

Other News:

First item of business is not one I enjoy announcing. Shipmate, Editor, Webmaster, Mike Bray will be retiring from his duties as of our Cleveland reunion. He has agreed to publish this Piper Report and maintain the website until we find a replacement. Mike

has absolutely done more than anyone, or group of us, to keep the Piper Association alive and viable for all these years. We owe him a sincere debt of gratitude. We need someone to step up and take on his duties. We owe him relief. So who among you will volunteer? Mike will do a thorough transfer of duties and work with the new person. I say person just in case one of your wives or sweethearts has the time and skill to take over this critical job. If we do not fill the position, our website will likely fade away and the data bases and reports will dwindle. The principle of rotation of duties is important to the survival of any organization. I've been trying to get someone to take this job for over 10 years! Fat chance that is going to happen. I would hope to have someone step up by the time our reunion wraps up in July. Mike will be writing to you in this report. He need not apologize. We owe him our sincere thanks for a job very well done for a lot of years.

I got a recent e-mail from Rick Campbell. He is donating one or a couple of his books to the reunion for raffle prizes.

*I wanted to thank you again for helping spread the word about *The Trident Deception* last year. As I mentioned in my last email a few months ago, it sold very well (#44 nationwide and #28 at Barnes & Noble), and as a result, my publisher offered me a second two-book deal for books to be released in 2016 and 2017, for four total so far. Most new authors don't get follow-on book deals, but with your help, I beat the odds! Thanks so much!*

*My second book - *Empire Rising* - releases on February 24th, and I'd like to donate a signed hardcover for you to use at an upcoming reunion. Additionally, if you can spread the word to your association members again this year - via email, newsletter, or whichever way*

you think is best and appropriate, I'll send you a signed hardcover to use as a second book at an upcoming reunion, or signed to you or someone else in your association, whichever you prefer.

*It's tough to break in as a new author, but my publisher is trying to make it happen. St. Martin's Press has arranged fantastic promotions again this year - the paperback version of *The Trident Deception* will be featured at the front of every Barnes & Noble across the country for one month starting February 3rd, WalMart has placed an order for 10,000 copies, and it will be carried by most military exchanges. My second book - *Empire Rising* - will also be featured at the front of every Barnes & Noble for 3 weeks when it releases on February 24th, and will be offered at a 20% discount. They'll also be advertising *Empire Rising* on FoxNews.com, with 2.2 million impressions. However, even with my publisher's efforts, it's a tough world out there for a new author and I would really appreciate it if you could help spread the word again.*

*Please let me know if you'd like a copy of *Empire Rising* for an upcoming reunion, and if you can help spread the word about the launch of the paperback version of *The Trident Deception* and hardcover/eBook release of *Empire Rising* this February, I'll send you another signed hardcover.*

Thanks again for your help getting my writing career off to a great start. I couldn't have done it without you!

*Warm regards,
Rick*

Retirement

It has been an honor and a privilege for me to have served the Piper Association for the past 9 years as editor of the newsletter and webmaster of the Piper website. I have made many good friends over the years and I want to thank all who have contributed articles and photos and other items for the newsletter and website. Without your valued support and encouragement I would certainly have failed.

Now, I must give up my duties due to health reasons. So, I am looking for a volunteer or two to take over these responsibilities. If you decide you want to take over the newsletter, or the website, or both, I will give you all the help you need to be successful. If you would be interested in volunteering for either of these positions please contact Frank Whitty or me. (Our contact information can be found on the back page of this newsletter.)

Newsletter duties:

The newsletter is not published on a regular schedule. I gather articles, obituaries, etc., from shipmates and ask Frank for a Commanders Column when I have enough material for a 10-page newsletter. I try to tailor the newsletter to the topic he chooses for his column. Most of the newsletters are sent by email and about 50 newsletters are sent by the postal system for which I am reimbursed by the Piper Association.

Website duties:

The website doesn't require much maintenance: I post newsletters, obituaries, changes to the Eternal Patrol list, make the necessary changes to the Membership Page, add comments to the Guest Book, etc.

Please consider volunteering. I will give you as much support as you need. Please don't let these duties fall into Frank's lap when I can no longer do them. If anything, we should be trying to lighten his load and not add to it.

Thank you for all the support you have given me.

Your Shipmate,

Mike Bray

PIPER ASSOCIATION DUES FOR 2015-2016 ARE DUE JULY 1st

See the form on page 9 of this newsletter

Please consider a Life Membership payment.

This would eliminate paying each year and result in less paperwork for us.

A Note About Membership

So that we can all be in touch with each other as friends and old shipmates, a Piper Association was formed some years ago by Frank Whitty. We have reunions and publish an occasional newsletter called the Piper Report. In order for the Association to exist we need to have paying members.

The dues money goes for paper, ink, postage, etc. This is a considerable expense. A newsletter, The Piper Report, is published once or twice a year (depending on health and work) to bring you up to date on what's happening about future reunions, picnics, etc. It isn't much for \$10.00, but think of how sweet it is.

It sure would be nice to see 100% signed up for the Association. To receive a copy of the newsletter or other correspondence (reunion news, etc. you must be a paid member of the Piper Association.

Shipmates on Eternal Patrol

Thanks to the work of shipmate Larry Boutelle, IC2(SS) who was aboard Piper from 1953 to 1956, we have a more complete listing of Shipmates on Eternal Patrol on our web site. Larry did research on the crew members that were on board Piper during his tour of duty.

Obituaries, where available, are included in Newspaper Clippings which can be accessed by a link on the News page of the website.

See <http://usspiper.com>

An updated list will be included in The Piper Report from time to time.

If you have information of the death of a shipmate that is not on the Eternal Patrol list, please send it to:
